

WORKING WITH INL

SMALL BUSINESS PROGRAM

INL provides significant opportunities to small, small disadvantaged, woman-owned, and minority companies to establish a successful and prosperous relationship with INL.

PROCUREMENT

INL seeks suppliers who are reliable, cost-effective, efficient and safe to provide commodities, construction, equipment, information technologies, and technical services.

PROPERTY DISPOSAL SERVICES

INL performs operations that provide property reuse through such programs as the Education and Research Transfer Program and disposal services of surplus government property through property sales.

PROPERTY SALES

INL provides disposal services to disposition surplus government property through sales.

EDUCATION AND RESEARCH TRANSFER PROGRAM

INL provides property reuse services for transferring education-related federal equipment to the education and non-profit science and research sectors.
